I know, it's been a while since the last update, but the current project took a while to complete.

Hopefully there will be translations for all current and upcoming articles on the site.

If you want to contribute translations, you are welcome to do so.

Please send a short notice first, in case someone is already working on a translation.

Please send the notice and the translation to translation at linuxhowtos org.

Any language will be accepted.

Please read "Why adblockers are bad".
