## Adding Users with Superadduser

Adding users to a system can be tedious. It involves creating an account, setting a password, and creating a home directory. This week's tip shows how to make adding users easier with the use of superadduser.

### Code Listing 1: Install superadduser from Portage

```
# emerge app-admin/superadduser
```

Using superadduser is very easy. Just run the command and follow the prompts.

### Code Listing 2: Using superadduser

```
// Replace the examples with your own information  
# superadduser
```
